PROCEEDINGS

Day 1st

11th May

The centre initiated the short course on “PROTOCOL DEVELOPMENT AND REVIEW COMPLETION” on 11th May 2015 at 09:00 A.M, at Library of Dr. Rajendra Prasad Government Medical College Kangra. This workshop was the continuation of previous workshop which was held on 20-21th April 2015. In the last workshop we discussed about the term PICO and also discussed search strategy, what is prisma chart, how to extract data from study.

Dr. Meenu Singh told participants about Review manager software and also tell how to enter the study in Review manager software. Dr. Kiran K. Thumburu and Dr. Amit Agarwal took the question raised by the participant in their protocol development. The participant initiated four protocols and they discussed it with the faculty.

The afternoon session was continued on Assessing quality of studies by Dr. Kiran K. Thumburu and Dr. Amit Agarwal. Mr. Munish kumar and Mr. Pankaj Pant conducted the searches for the participants.
