# PROCEEDINGS

A brief introductory round for tutors and participants was held after registration for the workshop. Dr. Meenu Singh delivered an introductory lecture on “Evidence Based Medicine”. Further, Dr. Nusrat Shafiq taught the participants about how to conduct systematic reviews. Dr. Nishant Jaiswal and Dr. Kiran Kumar discussed about framing “PICO”. They emphasized about the need for a well formulated question for reviews.

Mrs. Neelima Chadha and Ms. Harpreet Kaur guided the participants about how to develop a “search strategy” and how to search the articles.
